1. Updates from MHPSS Actors on Activities for 2019

<ul style="list-style-type: none"> ➤ International Rescue Committee have recently started implementing PSS activities for street and working children from Nabaa area. The center can be reached through calling their hotline on 81/831666. ➤ Embrace lifeline (Lebanon's first suicide prevention hotline) are still trying to procure funds to operate 24 hours per day, 7 days a week. The lifeline operates from 12:00pm to 2:00am on a daily basis. Embrace's services range from suicide prevention over the phone, emotional support, taking calls from those bereaved by suicide and raising awareness as well as orientating callers to services near them. ➤ International Organization for Migration were planning on implementing psychosocial support activities in Halba – Akkar but have faced several difficulties. The plan now is to partner with a local organization in Tripoli and will carry out outreach activities in Halba – Akkar. ➤ Islamic Health Society have trained general practitioners on mhGAP in all their 27 primary health care centers in Lebanon. 	<ul style="list-style-type: none"> ➤ All activities are available on the online 4Ws platform. This is a kind reminder for organizations who haven't mapped out their activities to do so as soon as possible. ➤ 4Ws platform link : http://app.moph.gov.lb/4ws/
